# Our Semi-Annual Offer

During just one week last September, 1914, we made our first offer of this kind and we sold and have pleased 50 customers. You should become one this week. By letting us have your order for a suit this week and next week, up to Saturday, March 6, for immediate or future delivery, we will keep it cleaned and pressed free of charge for six months. You know this is a great saving to you in six months.

Why do you buy hand-me-downs when you can have a suit made to your individual measure and know that you are the only one who is going to wear a suit of that particular pattern in this city? When you buy one out of the store, there are six or more like the one you buy and you don't know who will have one like it. Be yourself, be exclusive. Yet us have your measure this week. This offer is made to teach you individuality.
